

Quality Policy

The management of **CLARKE, MODET Y COMPAÑÍA S.L.** (hereinafter, **ClarkeModet**) understands that the implementation of a Quality Management System in accordance with the ISO 9001 standard is a fundamental step to achieve the expectations of our customers and interested parts as a fundamental objective.

To this end, the following principles and commitments are established in order to provide high quality services for the provision of comprehensive services and consulting services in intellectual and industrial property and related rights at the head office and comprehensive services in intellectual and industrial property and related rights in the other companies of the ClarkeModet Group, such as Argentina, Brazil, Chile, Colombia, Mexico, Portugal, Peru, Uruguay and Venezuela.

The management of **ClarkeModet** uses all available resources in pursuit of the following commitments:

- Allocate the necessary resources and means to develop the services with the required quality levels, pursuing customer satisfaction and loyalty.
- Periodically review the degree of effectiveness of the Management System, in order to detect weak points and to be able to Conform on the necessary actions for a continuous improvement of our activities.
- Establish strategic collaborations with our suppliers to generate quality improvement market interactions.
- Comply with all requirements, whether legal, contractual or otherwise, that are applicable to our business.
- Promote the involvement of the organization's employees through information flow, internal communication, recognition of achievements and ongoing training.

These commitments are fully comprised in our daily work and are subject to permanent review and improvement by the management of **ClarkeModet** and all those involved in their application.

In application of this policy, the necessary human and material resources have been made available to guarantee the achievement of the aforementioned purposes. Likewise, the Quality Policy will serve as a reference for the establishment of objectives associated with the Quality Management System.

The policy is known and subscribed to by all **ClarkeModet** personnel, and disseminated at all levels of the organization. It is also available to all interested parties who wish to learn about our commitment to quality.
